Date of Notice September 14, 2022
Notice Number: NWFZF-22-0104
Subject: Public Notice of Copper Retirement Under Rule 51.333
Effective Date: October 29, 2022

Description of Network Change:

ZiPLY Fiber announces that it intends to retire copper facilities serving in the following wire center located in the state of Oregon:

HILLSBORO OR HLBOORXB 272 SE 9th St

ZiPLY will remove its copper facilities and associated equipment due to a City of Hillsboro stormwater/sewer replacement project. ZiPLY Fiber has an existing fiber network in place to serve all existing and future customers affected by this network change. Specific serving locations affected by this network change are shown in **Attachment A**. Existing customers on copper facilities will be migrated to the new fiber network infrastructure without incident. All copper facilities are to be retired and removed from the records.

Implementation to begin within 15 days of being deemed final pursuant to the FCC notice.

Description of Reasonably Foreseeable Impact of the Changes:

For the locations reflected in **Attachment A**, ZiPLY Fiber will (1) no longer offer services over copper facilities; and (2) cease maintaining the copper facilities. There is presently **0** total working services.
