Date of REVISED Notice	November 3, 2022
Notice Number:	NWFZF-22-0104
Subject:	Public Notice of Copper Retirement Under Rule 51.333
Implementation Date:	Upon being deemed final pursuant to FCC Notice with the project targeted to begin on or after December 18, 2022.

Description of Network Change:

Ziply Fiber announces that it intends to retire copper facilities serving in the following wire center located in the state of Oregon:

HILLSBORO OR HLBOORXB 272 SE 9th St

Ziply will remove its copper facilities and associated equipment due to a City of Hillsboro stormwater/sewer replacement project. There are no customers impacted by this change. Specific locations affected by this network charge are shown in **Attachment A**. All copper facilities are to be retired and removed from the records. Ziply fiber has an existing fiber network in place to serve any future customers.

Description of Reasonably Foreseeable Impact of the Changes:

For the locations reflected in **Attachment A**, Ziply Fiber will (1) no longer offer services over copper facilities; and (2) cease maintaining the copper facilities. There is presently **0** total working services.
