

Carrier Customer Bulletin

Date of Notice: February 16, 2023
Notice Number: NWFZF-23-0121
Target Audience: Carrier, IXC, CLEC, Reseller
Subject: Notice of Changes of Law: Discontinuance of Certain Unbundling Obligations per FCC Forbearance and Modernization Orders
Effective Date: March 18, 2023

Pursuant to your company's interconnection agreement(s) (the "Agreement") for any and all state(s) in which your company has an Agreement with a Ziplly Fiber incumbent local exchange carrier under Sections 251 and 252 of the Communications Act of 1934 (the "Act"), this letter provides notice to your company that Ziplly Fiber is no longer obligated to provide to Customers Embedded Base UNE Loops at their previous rates, terms and conditions per the Federal Communication Commission (FCC) Forbearance Order (August 2019, FCC 19-72) granting relief from Unbundled Network Elements (UNE) loop requirements under Section 251(c)(4) of the Communications Act of 1934 as amended.

Ziplly Fiber is providing a notice of change, established by the FCC, on the following products and services:

- UNE DS0 Digital Loops for Urbanized Areas:
 - New ordering ends: February 8, 2023
- UNE DS1 Digital Loops for Competitive Counties:
 - New ordering ends: February 8, 2023

The changes of law per the FCC Forbearance and Modernization Orders, including discontinuance of unbundling of analog and digital loops at unbundled loop rates per the FCC Schedule, are self-effectuating and do not require an amendment of the Interconnection Agreement.
