

## Carrier Customer Bulletin

**Date of Notice:** March 20, 2020  
**Notice Number:** NWF-20-00xx  
**Category:** Meet Point Ordering  
**Target Audience:** ILEC/RBOC  
**Subject:** ZiPLY Fiber Meet-Point Ordering  
**Effective Date:** May 1, 2020

Previous communication announced that at 11:59 p.m. Eastern Time, April 30, 2020 or on a subsequent date (Close/Closing Date), assuming all required conditions are met, Frontier’s wireline assets in the Northwest Four states will be acquired by Northwest Fiber, LLC. Northwest Fiber will be going to market under the brand name of ZiPLY Fiber.

Following the Closing Date, all meet-point ILEC/RBOC companies with activity to the Northwest Four state properties will begin exchanging with ZiPLY Fiber, using the ICSC of FV03. Ownership of the OCNs associated with the Northwest Four State properties and the ICSC FV03 will transfer to ZiPLY Fiber at close. All meet-point activity for ICSC FV03 (see chart below) post-close, will be managed by ZiPLY Fiber and not Frontier.

OCN	ICSC	STATE	CURRENT PROPERTY NAME
3401	FV03	Oregon	Citizens Telecommunications Company of Oregon
4321	FV03	Idaho	Frontier Communications Northwest, Inc
4322	FV03	Montana	Citizens Telecommunications Company of Montana
4323	FV03	Oregon	Frontier Communications Northwest, Inc
4324	FV03	Washington	Frontier Communications Northwest, Inc
4423	FV03	Washington	Frontier Communications Northwest, Inc
4427	FV03	Idaho	Citizens Telecommunications Company of Idaho

\*Please note the properties of OCN 3401, 4322 and 4427 will begin utilizing ICSC FV03 at close.

A list of [Serving Wire Centers \(SWCs\)](#) for the properties listed above is available online.

Additionally, at close any pending ASR PONs (inflight), for the properties listed above, will be worked to completion under the submitted ICSC. After close, supplemental activity for pending ASRs in the properties listed above that were initially directed to any ICSC other than FV03, must be directed to that same initial ICSC.

Beginning at close, any new orders submitted to ZiPLY Fiber, for the properties listed above, must be directed to ICSC FV03 and word doc on meet point should be emailed to ZiPLY Fiber. Ordering contacts will be available on the ZiPLY Fiber Wholesale Operations Website to be published in conjunction with close.
