

Carrier Customer Bulletin

Date of Notice: September 30, 2020
Notice Number: NWF-20-0026
Category: Change Management
Target Audience: CLEC, Reseller
Subject: Local OSS Interface Change Management Process Revision Announcement
Effective Date: September 30, 2020

ZiPLY Fiber is providing notification that the OSS Interface Change Management Process is currently under revision. The meeting scheduled for 10/7/2020 has been cancelled. As previously [communicated](#) on August 5, 2020, there are no planned impacts to Local Wholesale customers associated with the October 2020 Local Release.

Local Business Rules version 9.30.20.1 will remain in effect after the October 2020 Local Release date. Local Business Rule references are available online at:
<https://wholesale.ziPLYfiber.com/wholesale/local-services/business-rules>.

For updates, please visit the OSS Interface Change Management page on our website at <https://wholesale.ziPLYfiber.com/wholesale/oss-interface-change-management>
