

Carrier Customer Bulletin

Date of Notice: February 2, 2022
Notice Number: NWFZF-22-69
Target Audience: IXC, Wireless, CLEC, ISP
Subject: ASOG 64 System Upgrade 45-Day Notification
Effective Date: March 19, 2022

Effective March 19, 2022 ZiPLY Fiber will implement Version 64 of the Access Services Ordering Guidelines (ASOG) within its Pre-order and Ordering interface systems.

ZiPLY Fiber's Virtual Front Office (VFO) and Unified Ordering Model (UOM) will be unavailable for processing transactions during the following times:

Start: 8:00pm PST Friday, March 18, 2022
End: 5:00am PST Monday, March 21, 2022

Testing will be available to e-bonded customers in advance of the ASOG 64 System Upgrade implementation. Please email wholesale.connectivity@ziplyfiber.com to indicate your interest in testing with ZiPLY Fiber.

If you have questions regarding the information provided in this notice, please email wholesale@ziplyfiber.com.
